## Wine series: Beaujolais 8/29

Our wine series four course menu for the entire table  
\$65 per person including four wines paired

Beaujolais is the name of a little area in France just south of Burgundy. It's one of the few wine regions of France that doesn't pretend to be fancy. In fact, much of the Gamay wine Beaujolais produces is sold (and gulped) before the harvest year is over. Tonight we will taste what makes this affordable grape so lovable!
